

DENVER COMMUNITY CHURCH

Dear DCCer,

First, thank you for your heart and desire to serve others. And, thank you for asking Denver Community Church to partner with you in this experience. This form is intended to help you communicate your needs and opportunities associated with the project, trip, or mission that you are proposing. Additionally, it's your chance to tell us about yourself, your group (if applicable) and why you feel called to embark on this initiative.

Please be as open and honest as possible – there are no wrong answers, here. We are excited about EVERY desire to go out and serve our world – after all our vision at DCC is to be a holistic, Christian, missional community. This form is simply intended to help us figure out how we can best support your group with the resources we have. This is a multipurpose form so please fill it out according to your specific need/request be it a project, short-term trip, or request for long-term support. When you're filling out the form, if you find you need more space, please feel free to attach additional pages and elaborate where necessary.

Once you have completed this form, please send it to our Missions Coordinator – missions@denverchurch.org. When we have received your request, the Missions Team will review it at one of our monthly meetings and let you know if we have any additional questions. We may ask you to come and meet with us and share more of your story and your vision for serving. At times our resources are limited, but we want to empower your vision as best we can with the funds that we are generously entrusted to by our community.

Thank you again for your passions and vision with us. If you have and questions, please don't hesitate to ask.

Grace and Peace,

The DCC Missions Team
