

## Serve Denver

### MISSION AND VISION FOR DEMONSTRATING GOD'S LOVE

In his life and ministry, Jesus demonstrated that his love is bigger than sin and injustice. He invited all of his friends to carry on his work of grace, mercy, transformation and justice. We believe that today, as much as ever, that invitation is for us too. God is still wildly at work in our world all around us. Our mission is to demonstrate that same ridiculous love toward all humanity by practicing the ways of Jesus. Would you consider joining us?

### MINISTRY PARTNERS

We feel compelled to befriend and empower the least and oppressed all around us. One way in which we have found this calling to be best achieved is through partnering with exceptional organizations and ministries in our city who are best participating in this great work. Our desire is to join and resource these organizations toward fulfilling their purposes in our city.
